The AMCHAM Social Impact Donation Fund

Shaping the Future of Myanmar

Donate Today for Social Impact
Tomorrow

Deadline: July 31, 2024

About

- 100% of member contributions will fund social impact projects
- Will fund 5 to 10 social impact projects within nine months
- Will fund social impact projects in non-urban and ethnic communities
- Aims to support those most in need

Governance

- Proper policy and procedures in place to guide and govern all activities of the fund
- A Social Impact Committee of six members to ensure fund accountability
- Effective best practice decision-making process
- Quarterly updates and impact will be shared with contributing members

Since 2021, AMCHAM and its members have been exploring ways to have a greater social impact in Myanmar. AMCHAM Myanmar members can now donate to the AMCHAM Social Impact Donation Fund, which will provide funding to social impact projects in non-urban and ethnic communities, and focus on AMCHAM member-identified initiatives:

Education, Health & Safety, Livelihood Sustainability, Micro-Enterprise Development, Women & Youth Empowerment, and Agriculture.

Achievements of Our Past Social Impact Activities

AMCHAM Scholarship Program
